

PRAIRIE PATCHWORKER'S QUILT GUILD
MYSTERY QUILT 2011-2012

We as a committee are excited to be offering this mystery quilt. It has been decided that we would give you 2 options for the centre block. The original block is very challenging so we will offer a less challenging centre block. Cutting instructions will be included for both options.

You will start with cutting of fabric with instructions attached. Page #1 does not include any cutting for the challenging centre.

BELOW ARE CUTTING INSTRUCTIONS FOR LESS CHALLENGING CENTRE BLOCK:

From #1 background fabric

1(a) Cut 1 extra 5" strip. Cut this strip into 4 extra 5 " squares which will now total 20 squares.

1(d) Cut 1 extra 12" strip. Cut this strip into 2 extra 12" squares. Cut diagonally in half to give 4 triangles. You should now have 20 triangles.

Fabric #2
